Abstract

Background: Internet gaming disorder is a pattern of excessive and prolonged Internet gaming that results in a cluster of cognitive and behavioural symptoms.

Objective: To find out the group of homoeopathic drugs that may be indicated in Internet Gaming Disorder (IGD).

Methods: Reviewing the Homeopathic literature, Reviewing the studies done on IGD, Finding the group of medicines indicated in IGD

Results: Polychrest Homeopathic medicines Stramonium, Belladonna, Nux vomica, Vertrum album, Pulsatilla, Ignatia, Calcaria carbonicum, Platinum, Aurum metallicum, Natrum muriaticum and Lycopodium were selected

Conclusion: This study is a step towards profiling of Homoeopathic medicines for IGD. Further studies for clinical verification of these medicines on IGD can be undertaken.

Keywords: Homoeopathy, Internet Gaming Disorder, IGD,
