A Cross Sectional Survey of Kofeez Cough Syrup in Clinical Practice

(Advancements in Homeopathic Research, Vol. 10 No.4, November 2025-January 2026, Date of Publication 2025/11/01, Pages no. vii ISSN : 2456-3668 (Print) // EISSN : 2583-5661 (Online))

Abstract

Introduction: Cough is one of the most frequently reported medical symptoms in clinical practice. Its features, duration and severity depend on the etiology. The symptoms are greatly affected by environmental factors also. Kofeez Cough Syrup, a homoeopathic formulation by Medisynth, is widely prescribed for all types of coughs across age groups since decades. The present survey is aimed to assess doctor's perception, prescription pattern, and clinical experience with Kofeez Cough Syrup across India.
